

Week 8 May 11th-May 15th

Monday	<p>Skill #1- Base running-</p> <p>-The bases are set up in the shape of a diamond called the baseball diamond. There are four bases: home plate where you bat from 1st, 2nd and 3rd base.</p>  <p>- Make 4 bases in your yard to look like a diamond shape.</p> <p>-When you have your bases set I want you to pretend to bat the ball at home and practice running the bases in that order. Practice this a few times.</p> <p>-If you get bored with running you could walk like different animals from base to base. You could use different levels(low, medium, high) speeds (slow, medium, fast) or pathways (straight, curvy, zig zag).</p>
Tuesday	Tic Tac Toe #2 - see attached worksheet
Wednesday	Outdoor Scavenger Hunt- See how many things you can find! <ul style="list-style-type: none">-5 leaves that look different- A stick that is longer than

	<p>your arm</p> <ul style="list-style-type: none"> - A rock with spots on it - A flower - A flat rock - Something you love to play with - A piece of trash to throw away- the earth says THANK YOU - Something that is brown - Something that is very light - Something that needs sun to live - Something that is smaller than your thumb - Something that starts with A - Something that starts with W - Something that starts with E - Something that starts with S - Something that starts with O - Something that starts with M - Something that starts with E - Sidenote- we just spelled AWESOME :) - Something that smells good
Thursday	-Practice throwing and catching skills from last week!
Friday	Free choice Friday!
